

Call for Papers, Videos and Multimedia  
19th ACM Symposium on  
COMPUTATIONAL GEOMETRY

<http://www.umd.edu/areas/Theory/socg03>  
June 8–10, 2003 – San Diego, USA

In conjunction with FCRC 2003  
Sponsored by ACM SIGACT and SIGGRAPH

The 19th ACM Symposium on Computational Geometry, featuring both theoretical and applied research, and a video review, will be held at the Town and Country Resort & Conference Center in San Diego (USA) as part of the Federated Computer Research Conference (FCRC 2003). We invite high-quality submissions in the following research areas:

- Geometric algorithms and combinatorial geometry;
- Implementation issues and applications of computational geometry.

The full call for papers can be found at <http://www.umd.edu/areas/Theory/socg03>
