

The background color of this page is color code **00FFFF**.

The default text color of this page is color code **FF55AA**.

This text needs to appear centered horizontally on the screen.

This text needs to appear in color code **FF0000**.

This hyperlink (and all hyperlinks in general on this page) has to appear in color code **800080** whether or not it has been previously visited.

This line has to appear in the largest HTML-define font size (6).

This line has to appear in the smallest HTML-define font size (1).

The URL for the following image is <http://www.cs.umd.edu/~egolub/cmssc102/fireworks.jpg> on the web. You need to make that image appear here in a way that if I change the image at that URL, the new

image will appear on this page as well.
