AGENDA
Education Meeting
Friday, March 27, 2015

1. Presentation of new course proposal for Data Science (CMSC32X) – Amol
2. Presentation of creating a “data science specialization” – Amol
3. Presentation on Replacing MS comp exam grades with course grades - Jeff Foster
4. Graduate Certificate in Data Science – Amol

The first three agenda items need to be voted on. They were discussed at last meeting. Agenda item number four will be discussed.
