## CMSC 435: Software Engineering (Dept. of Computer Science, Univ. of Maryland, College Park) Summer 2013 Semester

Type of docume	nt: Statement of interpersonal skills					
Submitted by:		(name of student) on date:				
Total points:	<i>10</i>	Points awarded:				

This course requires that students work in teams. Please discuss, in the space provided below, why you would (or would not) make a good team member. Give examples from past experience (if any) of working in teams. In particular, comment on these four aspects:

• <u>Cooperation</u> requires students to demonstrate ability to compromise on their views, treating team members with respect, and working within a consensus of the team.

• <u>Communication</u> concerns aspects of group dynamics within a team. We look for active involvement in team meetings and group discussions, an ability to use constructive feedback from other group members, contribution of feedback to facilitate the work of other individuals on the team and the team as a whole, and helping to resolve conflicts.

Leadership includes helping to provide structure by initiating action, clarifying concepts problems, and summarizing activities and results. Individuals should also make an effort relevant information from other team members when appropriate. Leadership can also be demonstrated through emphasis on results by encouraging and helping to ensure team m stay on track.				I work, completing any a n members when approp
