Factoring is in Poly Time.

They will warn us before its released so we can get our credit cards
off of the web.

SAT Solvers

SAT Solvers

Andrew will extend his HS project and come up with a really good SAT Solver.

SAT Solvers

Andrew will extend his HS project and come up with a really good SAT Solver.

The new improved SAT Solver will use WS1S.

SAT Solvers

Andrew will extend his HS project and come up with a really good SAT Solver.

The new improved SAT Solver will use WS1S.

It won't show SAT in P (since its not) but it will be better than the conventional SAT Solvers that are out there.

P NE NP

Soren will **fail** to show P NE NP.

P NE NP

Soren will **fail** to show $P \neq NP$.

He would have proved it by combining his knowledge of P, NP, and Ramsey Theory except that

P NE NP

Soren will **fail** to show P NE NP.

He would have proved it by combining his knowledge of P, NP, and Ramsey Theory except that

He cut this class so many times that he never really understood it.

Presidency

Presidency

Eliza Furtak will be president.

Presidency

Eliza Furtak will be president.

She was inspired by my saying she would become president.

Presidency

Eliza Furtak will be president.

She was inspired by my saying she would become president.

She will restore Science Funding in general and my grant in particular.

Presidency

Eliza Furtak will be president.

She was inspired by my saying she would become president.

She will restore Science Funding in general and my grant in particular.

She will have to change fields.
