Class Discussion

Student Name:

Aspect to Grade	Points	Comments
Content	#/20	This is where I comment about the content you offered for class discussion. Did you select a paper that was appropriate and added to the module information? Was it understandable? Did you lead the discussion in such a way that helped the class understand more about the content of the paper and module?
Discussion Structure	#/20	This is where I comment about how you lead the class discussion. Were you able to support discussion, as opposed to lecture? Were you able to find a discussion thread as opposed to wandering off?
Other's Participation	#/10	This is where I comment about how the class was supported by your discussion leadership. Were people interested? Energized? A partner in the discussion?
TOTAL	#/50
