

# Course outline

---

- World history version 1: What the bible says. Why it is unlikely that Moses wrote the bible [1 week]
- World history version 2: The Documentary Hypothesis and the most likely history [2 weeks]
- World history version 3: What the archeological evidence tells us and still another history [1 week]
- World history version 4: The Bible as mythology: What older myths (Sumerian, Babylonian, Greek, ...) tell us about the bible. Where some of the stories come from [1 week]
- Related topics (if time permits) – The New Testament (Gospels, Apocrypha), Other books of the Bible (prophets, writings), the Dead Sea Scrolls, Gematria, numerology and Bible codes... [0-1 week]
