ACM SIGPLAN Workshop on Programming Languages and Analysis for Security

San Diego, California, June 14, 2007

Sponsored by ACM SIGPLAN with support from IBM Research

Co-located with PLDI'07 as part of FCRC.

http://www.cs.umd.edu/~mwh/PLAS07/index.html

IBM Research has made it possible for PLAS to offer travel grants for students attending the workshop. A full-time student who would like to apply for this support should:

1. Copy and paste the following form into an email, fill it out, and submit it as an attachment, along with a scanned copy of their student ID, to Prof. Michael Hicks (mwh@cs.umd.edu). (If a scanned copy cannot be obtained, a student may choose to bring a copy of the student ID directly to PLAS.)
2. Have their advisor submit a brief recommendation letter to Prof. Michael Hicks (mwh@cs.umd.edu).
