

The following diagrams show the prerequisite structure for most computer science courses.

***NOTES:**

- CMSC423: Bioinformatic Algorithms, Databases, and Tools.
- CMSC434: Do not requires PSYC100
- CMSC425: Corequisite: CMSC427
- CMSC427: Also has a prerequisite of MATH240 (Linear Algebra) or MATH461.
- CMSC435: It has a prerequisite of 1 course from CMSC412 or CMSC417 or CMSC420 or CMSC430 or CMSC433.
- CMSC436: Programming Handheld systems
- CMSC456: (CMSC330; CMSC351) or 2 MATH4xx
- CMSC460 and CMSC466: Prerequisite: CMSC106 or CMSC131
