

Curious Caterer: Fatal Vows

1 Goldy, Marla, and Cops

1. Goldy Berry: Caterer, caters Wedding of Jessamyn (Jess) and Sterling.
2. Marla Berry: Goldy's daughter and helper in the business.
3. Tom Schutz: Cop. Goldy's boyfriend. Jess's ex-husband. Because of that he is taken off of the case for conflict of interest. He will prob still work on the case informally with Goldy. When Sterling and Ray fought at the rehearsal Dinner, Tom stopped them but in the process got Sterling's blood on his shoes. Hence he is now a suspect, though Dave Trach might have it out for him.
4. Mason: Cop. Tom's assistant.
5. Dave Trach. A cop who does ot play by the rules. Tom knows him and doesn't like him. Dave Trach replaces Tom on the case.
6. Richard Korman. Goldy's ex-husband. Helped Goldy find out that Ray had a broken hand the day of the Rehearsal dinner.

2 Characters from the Wedding

1. Jessaymyn (Jess) Cole. The Bride. A real Bridezilla. Later she is missing. We see her locking herself in a farmhouse in her wedding dress, bound up with rope. She is Tom's ex-wife. She and Chester run Whitehead Realtor.
2. Katy. Maid of Honor and girlfriend of Ray. Used to date Sterling.
3. Ray Granger. Best Man. Katy's boyfriend. Broke his hand the day of the rehearsal dinner. He claims he fell in the shower. Unlikely.
4. Sterling Clearwater. The Groom. He is drunk at the wedding and (jokingly?) hits on Katie, which leads to a fight with Ray. He is dead-blunt force trauma, but really drowned in champagne. Ray says he was getting cold feet before the wedding.
5. Sterling's Father (not seen). He pulled off a scam by claiming he had a Software product, getting lots of investors, and somehow when the company went bankrupt he kept the money and skipped town. Sterling was a teenager at the time.
6. Chester. Jess's business partner. Someone accused him of poaching Jess's clients. He has a black eye. He claims its from basketball. Unlikely.
7. Lawrence. Jess's father?
8. Ann. She lost her house in Sterling's fathers Software Scam.
9. Hunter. He described Sterling's father's Software Scam.
