APPLICATION ESSAYS

Personal Essay

Write at least a 250-word essay to answer these questions:

- (1) Why should you be chosen as a LSAMP Undergraduate Research Program participant? (2) What are your expectations of the program? (3) What are your academic and career goals and how can the LSAMP Undergraduate Research Program help you accomplish your goals?

Research Interests

Write at least a 250-word essay to answer the following question:

If you could do research in any area or on any topic of your choice, what would it be? Include your motivation behind doing this research, how you would go about executing the research, and how this research would contribute to the science community.

PROGRAM COMMITMENT AND SIGNATURE

I certify that all parts of this application packet are complete and accurate to the best of my knowledge. I understand that submission of false information may be sufficient for denial of admission.

Upon acceptance into the LSAMP Undergraduate Research Program, I will fully participate in all program activities and work full-time throughout the entire session from the start date of the program to the end of the program. Failure to do so may be sufficient cause for LSAMP to forfeit payment of my stipend or terminate my participation in the program.
