VIRTUAL FAIR DETAILS:

The virtual fair will take place using our **Careers4Terps** platform.

The virtual capabilities will allow employers to use their own preferred video conference platforms (WebEx, BlueJeans, Microsoft Teams, Zoom, Google Meet, etc.) to engage with candidates in two ways:

- **Group Virtual Video Session(s):** Employers can host an open session for candidates to interact with multiple candidates simultaneously. This option is a great way to host mini company overview sessions and invite general Q&A.

- **1-on-1 Virtual Video Chats:** Employers can have an unlimited number of representatives on hand to interact with interested candidates one-on-one for a designated period of time.
-

IMPORTANT DEADLINES:

- **Registration Deadline:** We recommend that you register as soon as possible however we will accept registrations until the day of.

FAIR LOGISTICS - GETTING SETUP IN CAREERS4TERPS

Once your organization has registered for our Virtual Fair, we highly recommend that you log back into your **Careers4Terps account** to **set up your virtual career fair organization profile page**. Think of this step as setting up your physical table at an in-person career fair. However, because our students can view your information from today until the day of the fair, it is vital that you begin making a great impression now.
