ALL OF YOU! Without you there wouldn't be a program!

Your Advice on How to Make the Program Better

Your Advice on How to Make the Program Better

1. The Hat Problem: Students should have to wear hats.

Your Advice on How to Make the Program Better

1. The Hat Problem: Students should have to wear hats.
Bill's Response How about Virtual Hats?

Your Advice on How to Make the Program Better

1. The Hat Problem: Students should have to wear hats.
Bill's Response How about Virtual Hats?
2. The Egg Problem: Students should get real eggs.

Your Advice on How to Make the Program Better

1. The Hat Problem: Students should have to wear hats.

Bill's Response How about Virtual Hats?

2. The Egg Problem: Students should get real eggs.

Bill's Response Okay, but if you drop them, you clean it up.

Your Advice on How to Make the Program Better

1. The Hat Problem: Students should have to wear hats.
Bill's Response How about Virtual Hats?
2. The Egg Problem: Students should get real eggs.
Bill's Response Okay, but if you drop them, you clean it up.
3. The Muffin Problem: Students should get to eat real muffins.

Your Advice on How to Make the Program Better

1. The Hat Problem: Students should have to wear hats.
Bill's Response How about Virtual Hats?
2. The Egg Problem: Students should get real eggs.
Bill's Response Okay, but if you drop them, you clean it up.
3. The Muffin Problem: Students should get to eat real muffins.
Bill's Response Next summer: 61 muffins for 19 people, cut so that everyone gets $\frac{61}{19}$ and the smallest piece is $\frac{313}{684}$.

Real Advice on How to Make the Program Better

1. Co-mentors are a great idea.

Real Advice on How to Make the Program Better

1. Co-mentors are a great idea. Bill Agrees.

Real Advice on How to Make the Program Better

1. Co-mentors are a great idea. Bill Agrees.
2. Need better tech to simulate a blackboard.

Real Advice on How to Make the Program Better

1. Co-mentors are a great idea. Bill Agrees.
2. Need better tech to simulate a blackboard. Bill Agrees.

Real Advice on How to Make the Program Better

1. Co-mentors are a great idea. Bill Agrees.
2. Need better tech to simulate a blackboard. Bill Agrees.
3. Have students assigned to read a **light** book or watch a **Ted Talk** and get together and talk about that.

Real Advice on How to Make the Program Better

1. Co-mentors are a great idea. Bill Agrees.
2. Need better tech to simulate a blackboard. Bill Agrees.
3. Have students assigned to read a **light** book or watch a **Ted Talk** and get together and talk about that. Bill Agrees.

THOUGHT QUESTION

We had:

- ▶ REU activity once a week (usually Monday)
- ▶ Talks once a week (usually Wed)
- ▶ Four game nights
- ▶ Fairwell Talk (now!)

THOUGHT QUESTION

We had:

- ▶ REU activity once a week (usually Monday)
- ▶ Talks once a week (usually Wed)
- ▶ Four game nights
- ▶ Fairwell Talk (now!)

Does this **interfere** with research?

THOUGHT QUESTION

We had:

- ▶ REU activity once a week (usually Monday)
- ▶ Talks once a week (usually Wed)
- ▶ Four game nights
- ▶ Fairwell Talk (now!)

Does this **interfere** with research?

Should there be **less non-research stuff**?
