PROFESSIONAL DATA SCIENTISTS NEEDED FOR RESEARCH STUDY

We are conducting a research study at the University of Maryland about how data scientists work together and what tools they use to perform data analysis.

The study will take about 30 minutes to complete and will be held virtually over Zoom.

REQUIREMENTS:

- Be at least 18 years old
- Work with data + perform data science work as part of your job description
- Use computational notebooks
- Have experience in data science tools/workflows

PARTICIPATION:

- Complete a pre-study questionnaire (5 min)
- Answer interview questions about your collaborative environment and the tools you use (30 min)
