

## The Betty White Award

The Betty White Award goes to a person or a set of people who died towards the end of the year, and hence are not on those *people we lost this last year* lists that stupidly come out **before the year is over**.

I invented the award in 2023; however I then looked on the web to see who would have won it in the years 2000 on.

### 1 2000-2010

year	Winner	Death Day	Age	known for
2000	Victor Borge	Dec 23	91	Musical Comedian
