

Hannah Swenson- Reality Bite

1 Not Suspects (I think)

1. *Chad Norton* DA. Possible love interest for Hannah. Working on the Lloyd-Burglary case. Invited Hannah to the trial—I thought it would be asking her for a date.
2. *Hannah Swenson* Finds out that Connie Mack is a fraud. Hunt Bantry reluctantly confirms this. She discovers the dead body at *The Cookie Jar*.
3. *Delores Swenson* Hannah's Mother. She is an actress, playing a seamstress. She crashes the Cooking Show. Claims she always knew Connie was a fraud.
4. *Lisa* Hannah's partner at the Cookie Jar. Likes cooking without all that equipment as they are forced to cook at Hannah's house since *The Cookie Jar* is a crime scene.
5. *Michelle Swenson* Hannah's Sister.
6. *Victoria* Directing the play that Delores is in. I suspect the play is an unimportant C-story.
7. *Norman Rhodes* Dentist, Regular. Not a love interest for Hannah anymore.
8. *Lonny Murphy* Cop on the Lloyd-Burglary Case.

2 Victim and Suspects

1. *Hunt Bantry* Producer of *The Connie Mac Show*. The Boss. Confirms Hannah's suspicion that the Connie is a fraud. Was found dead in *The Cookie Jar*. Was poisoned. They have a hard time finding his wife, *Ainsley Bantry*, to tell about the death; however, she claims she was at a Ojai (yoga?) retreat. Hunt claimed that nobody else knew CM was a fraud, though that seems unlikely.
2. *Evan* Works for the show. Is an actual chef but is not getting any credit for that. Wanted to be the produces, so that motive. See entry on Buddy later. As a chef he has the skills to use poison. Hunt blames Evan for not warning Hannah that CM could be nasty.
3. *Connie Mac* Queen of the Kitchen. A fraud. Nasty- does not like when Hannah gave her advice and dumped a slice of pie on Hannah's head. Hannah notices that after the murder Connie kept touching her jaw. She has a cracked molar. She admits to Hannah that she is a fraud and that Hunt covered for her- but that this benefited Hunt also. She preferred her first producer Buddy.
4. *Hotel Guy* = Restaurant waiter
5. *Louise* Connie's Assistant. Does costumes.
6. *Buddy (never seen)* The original produce of *The CM Show*. He discovered CM. Evan and CM both preferred Buddy to Hunt. Buddy let Evan cook what he wanted, whereas Hunt wanted new cool stuff. CM also preferred Buddy but not clear why.
7. *Lloyd Chassley* Burglar (not seen yet). He is accused of 1 burglary but he might have done 13. He is on trial. His method: Stalk a women, find out when she will be out of town, and when she is break in an steal Jewelry.

3 Story Notes

1. Lloyd Chasley is on trial for burglary. But while he is awaiting trial, another Burglary happens. Copycat? Or is the man innocent.
2. A Film Crew is using Hannah's bakery as their set for a popular cooking show. The host of that show is Connie Mack. Connie can't cook but has a good screen presence. On Day two of shooting the produces is Killed
3. Connection: *The Connie Mac Show* was scheduled to be in Eden Lake at the last minute. There being there coincides with the trial.
