

Garage Sale Mystery: Murder by Txt

1 The Victim: Lila Merrill

1. Lila was having (or perhaps had?) an affair with John Dolton. She was depressed since John seemed to be happy with his wife Pamela.
2. Lila was found hung though it looks like murder, not suicide. Lila left some things to be sold on consignment which people that are suicidal do not do.
3. Lila was the bass player in the band.
4. Rick, the manager of the band, might like Lila.
5. Cassie had a key to Lila's place, and all of the band members places.
6. Bo Taylor is Lita's estranged husband. They were separated but not divorced. He shows up and wants the stuff on consignment. He had arrived in town earlier and wanted \$5000 to complete the paperwork for divorce.
7. The suicide note, by txt, was *Can't do this anymore, Love Everyone, Goodbye*. It came during a sound check that Jenn and Dani were at.
