

Notes on Mystery Island

1 People

1. *Dr. Emilia Priestly* Female psychologist who works for the police. Works with Jason Trent on making mysteries for MI.
2. *Baroness Jane Alcott* Friend of Emilia. She is an investor in Mystery Island She owns 5% of Mystery Island. She has brought to the weekend a boyfriend, James Elton, who is a Texas Oil Millionaire-NO HE”s NOT! See his entry later.
3. *Jason Trent* Detective. Possible love interest for Emilia. Works with her on making mysteries for MI.
4. *Fredricks* Has eyepatch. Works for Mytery Island as House Manager.
5. *Carlos Del Fuego* Married to Morgan Del Feugo (not on IDBM). Investor and probably owner of MI.

Guest for the MI Weekend.

1. *Bobby Teller* NYPD detective. Had previously solved an MI mystery in 32 minutes.
2. *Davis Teller* Bobby's brother and plus-one. He is an investment banker. He is a genius (maybe) but flunked out of three colleges. He works for Robie Investments. One of the other guests is suing them (might be James Elton and part of an act.)
3. *Alice Wattley* College Student. She is a prior winner who solved the MI mystery in an hour. She runs a podcast about mysteries and had some on Cassandra Cornwell's Novels. Her Aunt, Louise Baker is her plus one and helped (financially? Ideas?) with the podcast.
4. *Louise Baker* Alice Wattley's Aunt and Plus-one. Had a heated conversation with Fredrick.
5. *Cassandra Cornwell* Mystery writer, friend of the late John Murtaugh. Seem snotty- was not interested that her novels were discussed on Alice's Podcast. Married to Ted who is her plus-one.

6. *Ted Cornewll(?)* Cassandra's husband. he loves her novels but nothing else is known about him.

7. *James Elton* Posing as Jane's boyfriend, Texas Oilmen Millionaire. In reality he is an actor playing the role and likely the intended dead person for the mystery. As such he is intentionally being nasty:

Tells Fredrick he always wanted a (mere) butler and may hire him away.

Mentions that he might BUY MI.

Mentions that he might BUY the network that has Alice's Podcast and will then demand it be more family friendly.

(Not sure) Mentions that he is suing Robie Investments.

Oddly enough, James and Jane really ARE in love, but they must hide this from Emilia, Jason, Fredrick, Carlos, since Jane (an investor) is not allowed to date James (an employee). They are thinking that after the game is over they can go public.
