ANNOUNCEMENTS

1. **FINAL EXAM:** The final exam for MATH 246 Sections 0211, 0221, 0231, 0241, will be on **Monday, December 13, 1:30-3:30pm.** It will take place at the KEY building **Room 0106.** Please arrive by **1:15pm** and don’t forget to bring your **university ID.** You can also find the room of MATH 246 final exam and a webpage to a map in the webpage [http://www.math.umd.edu/undergraduate/](http://www.math.umd.edu/undergraduate/).

2. Please remember that the final exam will be uniformly graded, i.e., each instructor will grade one problem for all the students that take MATH 246. Therefore, write clearly and precisely your solutions.

3. You are strongly encouraged to leave your feedback about the course MATH 246. Please visit the webpage [http://www.courseevalum.umd.edu/](http://www.courseevalum.umd.edu/) to do it.

4. Please remember that I will **NOT ACCEPT any MATLAB projects after Friday, December 10.** Any regrading of material already returned should be done during my office hours today or on Wednesday.

Good Luck with all your exams!
I am sure that you will be rewarded for all your study during the semester!

Victoria Taroudaki
